The Fair will provide large, portable containers for the disposal of manure and trash. These vehicles will be parked in various locations throughout Livestock Buildings at all times. No bedding or manure is to be heaped in the area at any time. It must be put into the above containers and will be removed when full and replaced by another receptacle. Help us keep our livestock building clean.

Tents or sleeping areas that are enclosed at the top are not permitted in the pen area. Please help us in complying with this fire code regulation.

In order to create a good public image and add to the attractiveness of the livestock area, all beds, cots, bedding, etc., must be made up and out of aisles by 8:00 a.m. each morning. This rule will be enforced by management and will also reflect in Shepherd's Award judging.
