The request must be made to Entry Department and will not be granted until verified by state fair or livestock show. All bedding must be provided by exhibitor. This may be brought from home or purchased at fair. No bulk sawdust, tan bark or shavings permitted. Only baled or bagged bedding allowed.

Beef cattle will be released at 3:00 p.m. Sunday, August 26.

ENTRY DEADLINE: JULY 10

1. Entries in the beef cattle department must be made on cattle entry forms or through the online entry system, **ENTERING EACH ANIMAL IN THE NAME OF THE BONA FIDE OWNER**, giving the registered name and number and date of birth of the animal to be exhibited. **GROUP CLASS ENTRIES WILL BE MADE** at time papers are checked. To enter online, go to www.kystatefair.org. Complete information must be provided.

2. Beef animals owned in partnership or by syndicate may be shown in the name of the partnership or syndicate only; except that at the time of entry a determination will be made that such animals will be shown in the name of one partner or syndicate member. Animals must be shown the same way in group classes as they are in open single classes.

3. All applications for entry of cattle must be accompanied by an entry fee of \$14 per head. Entry fees do not dictate stall space. Exhibitors will receive one stall for each animal delivered to the Fair, regardless of the number of entries made. (A stall is one tie space. There are three tie spaces per bay.) Grooming will not be allowed in aisles. Additional tack stalls will NO longer be available for purchase. **Space for tack and display is subject to availability. NO REFUNDS OF FEES WILL BE MADE.**

LATE ENTRIES: An entry fee of \$28 per head will be charged for all entries postmarked after July 10. Late entries must arrive at the Fair office by July 25. Late entries will be accepted for the open show only. No late entries will be accepted in the 4-H/FFA Youth Livestock Show.

Exhibitors now have the option of an extra late deadline. Entry Fees of \$50 per head will be charged. Extra late entries must arrive at the Fair office by August 3.

4. Beef animals must have registration papers in the owner's name or a photocopy of valid papers in process for registration or transfer (to be collected by the Superintendent and forwarded to the appropriate Association) to be eligible to show. Each exhibitor will be required to present certificates of registration for his entries when called upon by the superintendent. No animal will be checked in without this identification.
5. **SUBSTITUTIONS** will be accepted for animals in the same class only. Substitutions can be made only in the name of the original exhibitor-owner as listed on the entry form. In breed shows without defined classes, substitutions can be made only with an animal of the same sex and a birth date within 90 days of the original entry.
6. All entries must be animals recorded in the American Herd Books for the particular breed to which they belong.
7. No transfer of ownership of an animal will be made later than one hour prior to the beginning of the show. Please check your Association's rules as some require transfers to be on file by entry closing date.
8. All livestock entries should be brought through Gate 4 off Crittenden Drive. **TO ELIMINATE UNDUE CONGESTION AND CONFUSION, TRUCKS WILL BE ALLOWED IN LIVESTOCK WING ONLY BETWEEN THE HOURS OF 10:00 P.M. AND 6:00 A.M.**
9. No bull over one year of age will be allowed on the grounds without a lead ring in his nose.
10. When on exhibition in the ring, each animal must be under halter, and

in the charge of the owner or exhibitor.

11. All exhibitors are limited to two ribbons and two premiums in each class.
12. All exhibitors in the Beef Cattle Show will be required to show their cattle at the call of the Superintendent. Failure to comply with this request will result in premiums being withheld until satisfactory explanation of same can be made.
13. See General Rules for health regulations, protests and other information.
14. The Fair will provide large, portable containers for the disposal of manure and trash. These vehicles will be parked at various locations throughout livestock buildings at all times. No bedding or manure is to be heaped in the area at any time. It must be put into the above container, and will be removed when full and replaced by another receptacle. Help us keep our livestock building clean.
15. Tents or sleeping areas that are enclosed at the top are not permitted in the stall area. Please help us in complying with this fire code regulation.
16. No butt fans or misters will be allowed in the aisles. Fans must be placed overhead within the stall area. Also, no portable generators are allowed in the building.

In order to create a good public image and add to the attractiveness of the livestock area, all beds, cots, bedding, etc., must be made up and out of aisles by 8:00 a.m. each morning. This rule will be enforced by management and will also reflect in Herdsman Award judging.

An animal is eligible to enter or compete in an open Charolais breeding class if registered in country of origin outside the United States and is eligible for purebred registry in the AICA Herdbook.

All animals to be eligible may be approved by a sifting committee designated by the AICA. Stall space will not be provided for any Charolais cattle that have not been accepted by the sifting committee.

All animals are subject to a medical examination in order to determine age and each animal will be presented in the show ring in its natural conformation without alteration or modification. Use of artificial tailheads is not permitted.

Alteration or modification shall be defined to include any surgical, chemical, electrical or other (including banding or other circulatory constriction) appearance change for cosmetic purpose, save only branding, tattooing, foot trimming or dehorning. The act of artificially filling animals internally, which would include stomach pumping, drench tubes, or any other method per os (by esophagus) is prohibited.
