The [Kentucky State Fair](#) (KSF) is an 11-day celebration of the history, heritage and culture of the Bluegrass State. More than 600,000 attend the nation's largest indoor fair, which covers 1.3 million square feet of contiguous exhibit space at the Kentucky Exposition Center. With its agricultural roots, KSF is a trade and public education exposition, a major entertainment venue and home to the World's Championship Horse Show. Attendees and exhibitors contribute over \$15.3 million annually in economic impact, and both events are owned and produced by Kentucky Venues.
